DOCUMENTATION

California immunization laws and Irvine Unified School District Policy 5141.31 require that upon school entry, **all pupils must show written proof of immunizations.** An immunization record completed by a physician or clinic **or** the blue California School Immunization Record from a former school **or** another state's school record serves as documented proof.

Documents must be in English. If translation is needed it is the parents responsibility to have this completed prior to the registration process.

Documents must include:

- Child's first and last name
- Child's date of birth
- Type and date (month/day/year) of each dose of vaccine.
- Name of physician or clinic who administered the vaccine.
- If immunizations are transcribed from previous records by the attending physician/clinic "***TRANSCRIBED***" must be written next to each immunization or diagonally across all lines for a vaccine series. The attending physician/clinic stamp must be stamped on the front of the immunization record to confirm who verified the immunizations.
- ***Students will not be enrolled or admitted to class until all immunization requirements have been met.***

PHYSICAL EXAM FOR TRANSITIONAL KINDER, KINDERGARTEN AND FIRST GRADE ENTRY

- TK – Within 12 months prior to entering TK. This will qualify for Kindergarten entry but a new physical exam will need to be submitted prior to 1st grade entry.

- 1st grade – Within 18 months prior to entering 1st grade.
